It is our great pleasure to inform you that the Borough of Harrington Park will hold its annual Town Day on Saturday, September 18, 2021, rain date of September 19. The pandemic has dramatically changed Americans' lives and relationship over the past year and with optimism the Borough is planning to celebrate the return of opening and gathering with our town residents on this special day.

Town Day is a family event that provides affordable food, games, rides and music to celebrate our great community members. It is always a fun day and provides us with an opportunity to connect with our neighbors.

You have generously donated to Harrington Park Town Day in the past years and we would appreciate your continued support for our local event. Sponsorship can include donations to cover the cost of games, rides, food vendors or prizes.
